“We believe that our success is directly tied to our clients’ success. That’s why we are committed to delivering innovative solutions and building long-term partnerships based on trust and tangible results.”

**AYMAN TAANI**  
CEO

# ABOUT US

Future Gates is a tech-driven company specialized in custom software solutions and smart digital marketing services. We help businesses grow, scale, and thrive through innovative development and strategic promotion opening future-ready opportunities with confidence.

# VISION

## OUR ASPIRATION

To become the trusted and strategic digital partner for forward-thinking companies that seek to lead through innovation and technology.

## DIGITAL TRANSFORMATION

We envision a future where all organizations can easily adopt advanced technologies to boost efficiency, enhance customer experience, and drive digital transformation.

## SHAPING THE FUTURE

By staying at the forefront of emerging technologies, we aim to redefine how businesses operate, compete, and grow in an ever-evolving digital landscape.

# MISSION

1. Empowering businesses through smart, scalable tech solutions that drive innovation and growth.
2. We deliver tailored digital services that enhance efficiency, elevate user experience, and ensure sustainable success.

# OUR SERVICES

## WEB APPLICATION DEVELOPMENT

- We build modern, scalable, and secure web applications tailored to your unique business needs.
- Whether it's a customer portal, admin dashboard, or e-commerce system we deliver responsive, high-performance solutions that grow with your organization

## MOBILE APP DEVELOPMENT

- We design and develop native and cross-platform mobile apps for both iOS and Android.
- Our mobile solutions focus on speed, usability, and seamless user experience — empowering your brand to stay connected with customers on the go.

# OUR SERVICES

## HR MANAGEMENT SYSTEM

- Our HRMS platform helps you streamline HR operations from hiring to offboarding.
- With modules for attendance, leave management, employee records, and evaluations, it transforms your HR into a digital, organized workflow.

## PAYROLL SYSTEMS

- Simplify your payroll process with our smart payroll solutions.
- Automate salary calculations, deductions, tax reports, and employee payslips — while ensuring compliance with local regulations and full transparency.

# OUR SERVICES

## INVENTORY SYSTEM

- Take control of your inventory with real-time tracking, stock level alerts, barcode integration, and multi-location management.
- Our custom inventory system is designed to fit your business model perfectly.

## SCHEDULING SYSTEMS

- Optimize your time and resources with intelligent scheduling tools.
- Whether for appointments, staff shifts, or service bookings, our systems help you reduce manual errors and improve efficiency.

# OUR SERVICES

## ERP SOLUTIONS

- Connect all departments with our robust ERP systems — finance, procurement, sales, HR, and more — in one integrated platform.
- Gain real-time visibility, automate core processes, and make data-driven decisions.

## CRM SOLUTIONS

- Manage leads, track customer interactions, and boost sales with our CRM solutions.
- From initial contact to after-sales service, we help you build stronger relationships and improve retention.

# OUR SERVICES

## IT TECHNICAL CONSULTATIONS

- Need expert insight? Our consultants provide technical audits, system architecture planning, tech stack recommendations, and security reviews — helping you take the right decisions at every stage.

## CUSTOM SOLUTIONS

- Have a specific problem or process in mind? We design and develop fully customized software tailored to your unique workflows, industry, and operational needs.

# OUR SERVICES

## DIGITAL MARKETING

- We create compelling marketing strategies that elevate your brand.
- From social media to content creation, ads, and analytics — we help you grow visibility, engage your audience, and drive conversions.

## BRANDING & VISUAL IDENTITY

- We design memorable logos, brand systems, and marketing materials that reflect your vision and connect with your audience.

# OUR SERVICES

## TRAINING PROGRAMS

- Empower your team with practical, up-to-date training in tech and business skills.
- Our programs are tailored to your industry, designed to increase productivity and keep your workforce competitive.

## DIGITAL TRANSFORMATION

- Ready to modernize? We guide your business through a full digital transformation journey — from infrastructure to processes and culture — ensuring you're prepared for a digital-first future.
